## NELSON'S MESSAGE

This year has been full of adjustments, but that's the beauty of the world we live in. We must be open to change and willing to overcome any hurdles we face. I am proud of our team and how well we have persevered. Let's keep up the momentum!

## MILAN HAS BEEN PROMOTED

### TO ACCOUNT EXECUTIVE

Despite the effects of an unexpected and difficult pandemic, Milan impressed the team during her virtual interview and landed the job! Though starting a position remotely can be challenging, she continued to persevere in her role at NX Direct and ultimately, earned herself a well-deserved PROMOTION to Account Executive! Milan has a drive to succeed and has set goals to train teammates of her own, keep sharpening her sales pitch, and hopefully - open her own office! She has quickly proven that she's dedicated to reaching new levels of success, and we know she will go far. Watch Milan's featured video on our social media to learn more!

## MITCH HAS BEEN FEATURED

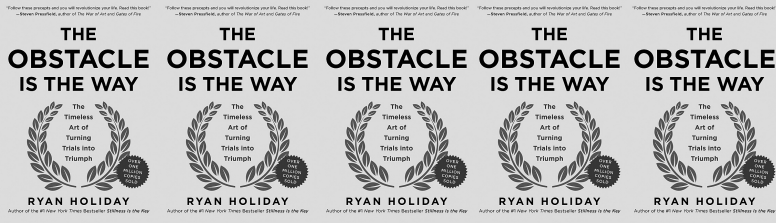

IN A LEADERSHIP SPOTLIGHT VIDEO ([WATCH HERE](#)).

Born and raised in Conway, South Carolina, Babb was raised by his grandparents with a strong moral code and religious values. "The lessons I learned growing up have impacted how I have decided to live my life," says Babb, "my family was very close and loving. There was always a strong female presence in my household, so I was taught chivalry at a young age and always treat everyone the same. I remember working in the garden and farm with my grandparents and learning how to play basketball with my grandma in our front yard."

## THE OBSTACLE IS THE WAY: RYAN HOLIDAY

This month we read about *The Timeless Art of Turning Trials into Triumph* and think it's safe to say this book was a massive hit with the office. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way, it will inspire you with dozens of true stories of the greats from every age and era.
